Corona Complaints

Exodus 16:2-15

"I have heard the complaining of the Israelites; say to them, 'At twilight you shall eat meat, and in the morning you shall have your fill of bread; then you shall know that I am the LORD your God.'"

Exodus 16:12

God freed the Israelites and saved them from the Egyptians. They are on their way to the Promised Land. Things are not always comfortable or easy on the journey so the Israelites complaint to their leaders, Moses and Aaron, and to God. God answers them by providing them bread for breakfast (manna) and meat (quail) for dinner that they did not have to make or catch.

Is it ever good to complain? If so how should you complain? To whom do you complain? Can complaining mean that you are not grateful?

We are living in a pandemic. A lot of things have not been comfortable or easy. Write about/draw some of these things (no in-person school, not being able to see your friends like you once did, parents have lost their jobs, people you know have died—whatever you want to name). Then try to imagine what God's response to you might be—write or draw what God's response to you might be.
