## NEW COVENANT HEART CRAFT

Jeremiah 31:31-34

*But this is the covenant that I will make with the house of Israel after those days, says the LORD: I will put my law within them, and I will write it on their hearts; and I will be their God, and they shall be my people.*

*Jeremiah 31:33*

Let's make a simple symbol to remind us of the changed heart God promises in the book of Jeremiah.

### Materials required:

- Scissors or paper cutter
- Glue stick
- Yarn, twine, or string
- Stapler
- Paper (can be card stock, any color of your choice)

1. To begin, chose your paper.
2. Cut the paper into strips.
3. To make different sized hearts, for fatter or skinnier hearts, you cut the strips into different lengths.
4. On the sides of two strips, write parts of Jeremiah 31:31-34 on them.
5. You may choose to decorate with different colored markers or glitter, etc. (Keep in mind that glue and glitter will make the strips heavier.)
6. With the two blank sides of the strips facing each other, bring the ends of two strips together, making the ends met evenly, and staple them. (You can also use glue.) This will be the point for the heart.
7. Loop each of the two strips toward each other, bring the ends together, making certain the ends are even, and staple the two strips. (Again, you can use glue.) Now you have a new covenant heart.
8. If you want to hang the heart, you can add a string by either gluing or stapling the string to the top of the heart.

We would love to see your new covenant heart(s). You can share photos at [cedoffice@ameced.com](mailto:cedoffice@ameced.com) or Facebook: @ameced or Instagram: amec\_ced.
