Psalm 23 Craft

Materials needed:

- Paper Plates
- Crayons, markers
- Scissors
- Hole punch
- String or yarn, 6 inches

Instructions:

1. In the flat center of the paper plate, create "still waters." This is done by using a blue crayon to draw a thin blue stream, starting at around 11 o'clock position, and winding down to around the 5 o'clock position. Fill in around the stream with flowers, grass, butterflies, birds, etc.
2. Write in the bottom half of the ruffled rim, "He leads me beside the still waters." Psalm 23:2.
3. Around the ruffled rim, color the lines from inward to outward, using all different colors so that it looks like a rainbow.
4. To hang on walls, punch two holes an inch apart at the top.
5. Thread a piece of yard through and tie in a knot. It will hang from a thumbtack at home.
